

**2014 SCHEDULE OF 7 LINE WEEKEND SERVICE DISRUPTIONS**  
**Between Times Square-42<sup>nd</sup> Street and 74th Street-Broadway**

The following is the schedule of work and the specific diversions required for each weekend and date range for all of 2014. **All schedules are subject to change.** Disruptions will alternate between full or partial service suspensions on the western segment of the 7 line between Times Square-42<sup>nd</sup> Street and Queensboro Plaza and between Times Square-42<sup>nd</sup> Street and 74th Street-Broadway.

**The schedule for the service disruptions from February 28 through July 2014 on this segment of the 7 line is finalized.** We have also included the TENTATIVE service disruption schedule for August through December 2014. This is so that we can provide you with advance notification of the scope of work for the full year. While all dates and schedules are subject to change, those for the last five months of 2014 are more likely to as they are still being finalized. **We will announce the finalized schedule for August-December 2014 in an update later this year.**

Service changes will be in effect from 11:45 p.m. Friday to 5 a.m. the following Monday except where indicated
